

Do You Want to Play High School Roller Hockey?

Whether you're on a team already or not, let's make a spot for you!

Playing with classmates for your school colors and mascot is an important part of the roller hockey experience growing up, and many Southland schools are represented in the IHF High School League every year since the '90's. School clubs field teams at Varsity or one of three Junior Varsity levels. But not every school has enough players to field a team leaving some student-athletes behind, including both home and private schoolers.

Introducing the New Combo Division

New to the IHF League in the 2010-11 Season, this division gives student-athletes who want to play high school roller hockey but have no team to join due to reasons of educational choices, geography, or who are lacking in number, to form a team with others like them and compete as a team in this new division. 6 Players, including a goalie, are needed to form a team.

Start Recruiting Now and Get In The Game!

The IHF 2010-11 Season begins with preseason games on Sept. 27th and regular season on Nov. 1st. The annual Coach and Manager Meeting is Sept 12th - a must attend event! Get all the information you'll need by sending us an email to ihfhockey@gmail.com, or Inland Empire inquiries by calling **Bill Schaible** at 952-278-1996, or email to billschaible@ca.rr.com.
